BADUNG - Nusa Dua Beach is located on the southeastern coast of Bali, approximately 40 minutes by car from Denpasar Airport. The beach is known for its clear blue waters, white sandy beaches, and calm waves. It is one of the most popular tourist destinations in Bali, attracting both local and international tourists.

The beach is part of a larger resort area known as Nusa Dua, which is home to many high-end hotels, luxury resorts, and restaurants. The area is also known for its golf courses, water sports activities, and cultural performances.

Nusa Dua Beach is well-maintained, with plenty of sun loungers and umbrellas available for rent. Visitors can enjoy swimming, snorkeling, and other water activities in the calm waters. The beach is also a popular spot for jogging and cycling, as there is a pedestrian path that runs parallel to the beach.

One of the unique features of Nusa Dua Beach is the presence of a small island known as Serangan Island or Turtle Island, which can be accessed by boat. The island is a popular destination for tourists who want to get up close and personal with sea turtles and other marine life.

Overall, Nusa Dua Beach is a great option for those looking for a relaxing and luxurious beach getaway in [Bali](). ([Destinasi]())
